#### Performance Strategy

Through sport inspire a better world for disabled people

**Vision** 

To make the UK world leading on and off the field of play

**Mission** 

To define and deliver a 'best prepared' approach to the selection, management, delivery and leadership of ParalympicsGB at the Paralympic Games: underpinned by an optimal Games-time Team infrastructure which supports athletes and staff to thrive in the environment and, a values driven culture from preparation in to the Games

**Objectives** 

**PS1** Unrivalled knowledge of the Games environment

**PS2** Planning and delivery of mandated specialist core services

**PS3** Develop and deliver an optimal preparation strategy

**PS4** Unparalleled Games readiness

**PS5** Delivery of a cohesive performance environment at Games time

- T1 Targeted time in the environment
- T2 Develop an International Relationships Strategy with key partners
- T3 Review and re-establish specialist advisory and working groups
- T4 Re-design and delivery of Games PPPT
- T5 Maximize opportunities for knowledge transfer in HP system

T1 Identify structure, roles and people to support delivery of a Best Prepared team

T2 Retain and refine world leading programme management systems and structures

T3 Act as a system & Paralympic movement leader in Classification

T4 Reconfirm and implement the BPA's Games Qualification and Selection Strategy and 2020 Accreditation Strategy

T5 Reinforce the performance focussed approach to Games Operational Delivery

T1 Development and refinement of a best practice preparation framework for Tokyo environment

T2 Secure a world class preparation infrastructure

T3 Identification of expert practitioners

T4 Support for in-environment opportunities to test, refine and deliver optimal pre Games preparation

T1 Creation of a performance focused and values driven ParalympicsGB team

T2 Develop role specific understanding of the Games overlay

T3 Development of a best prepared / Games-ready toolkit

T4 Lead and support a collaborative approach to Games education / Games readiness programme

T5 Optimize the Paralympic Games environment for next generation success

T1 Deployment of a world class, values driven Games delivery team

T2 Identify and deliver the best systems and services to create a performance edge

T3 Creation of a bespoke Paralympic Performance Centre

T4 Implementation of an optimised athlete and staff welfare system

### Preparing Your Team for Multi-Sport Games

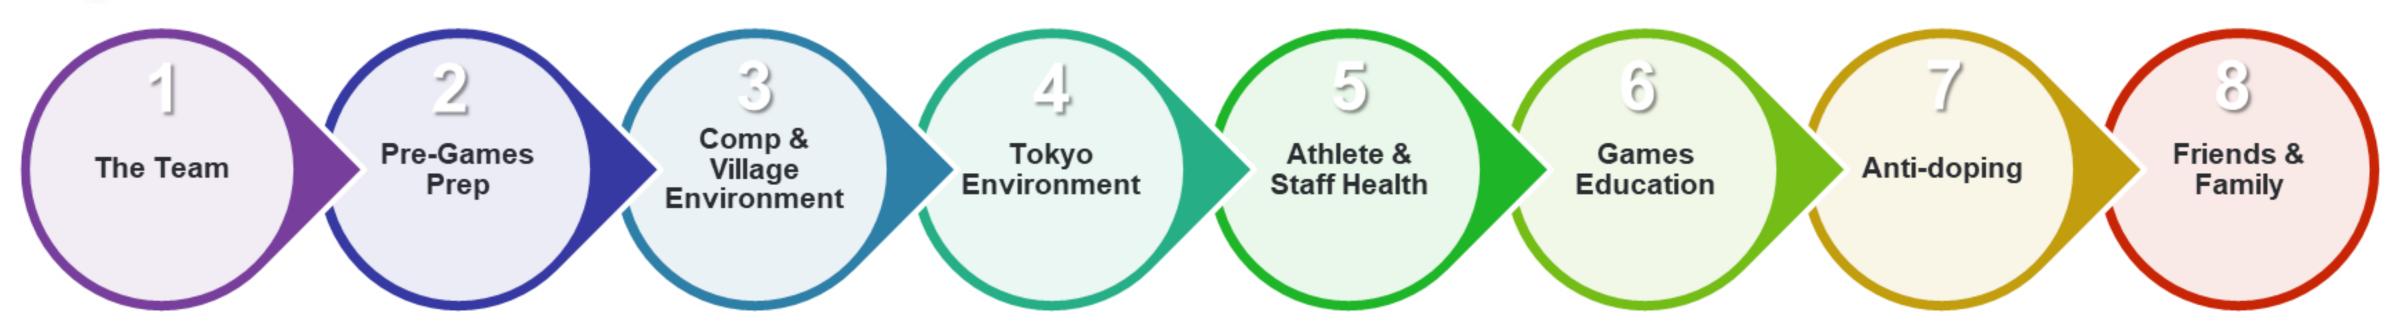

#### Games Readiness Tool

#### Thinking

1 2

We have not yet thought about this

We are thinking about it, but not yet actively planning

#### Planning

3

4

We are actively exploring options and developing plans but these are not yet finalised

#### Testing

5 6

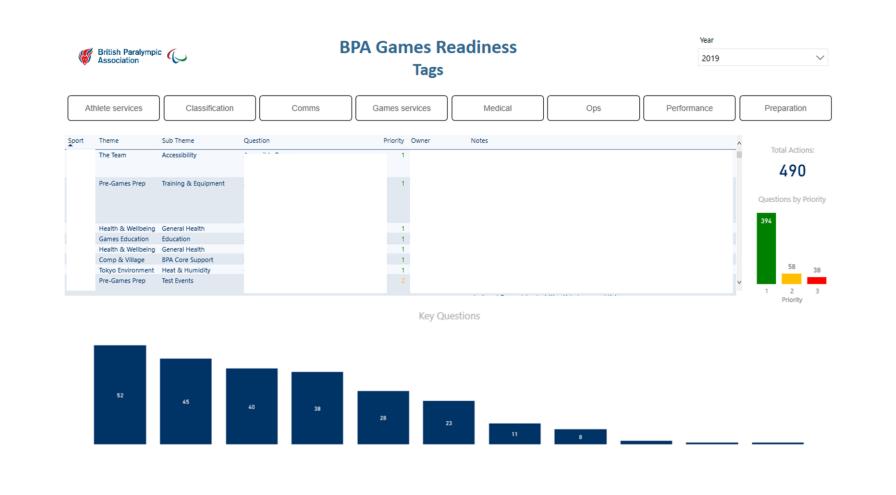

Our plans & strategies have been developed and are being tested & reviewed

#### Games Ready

7 8

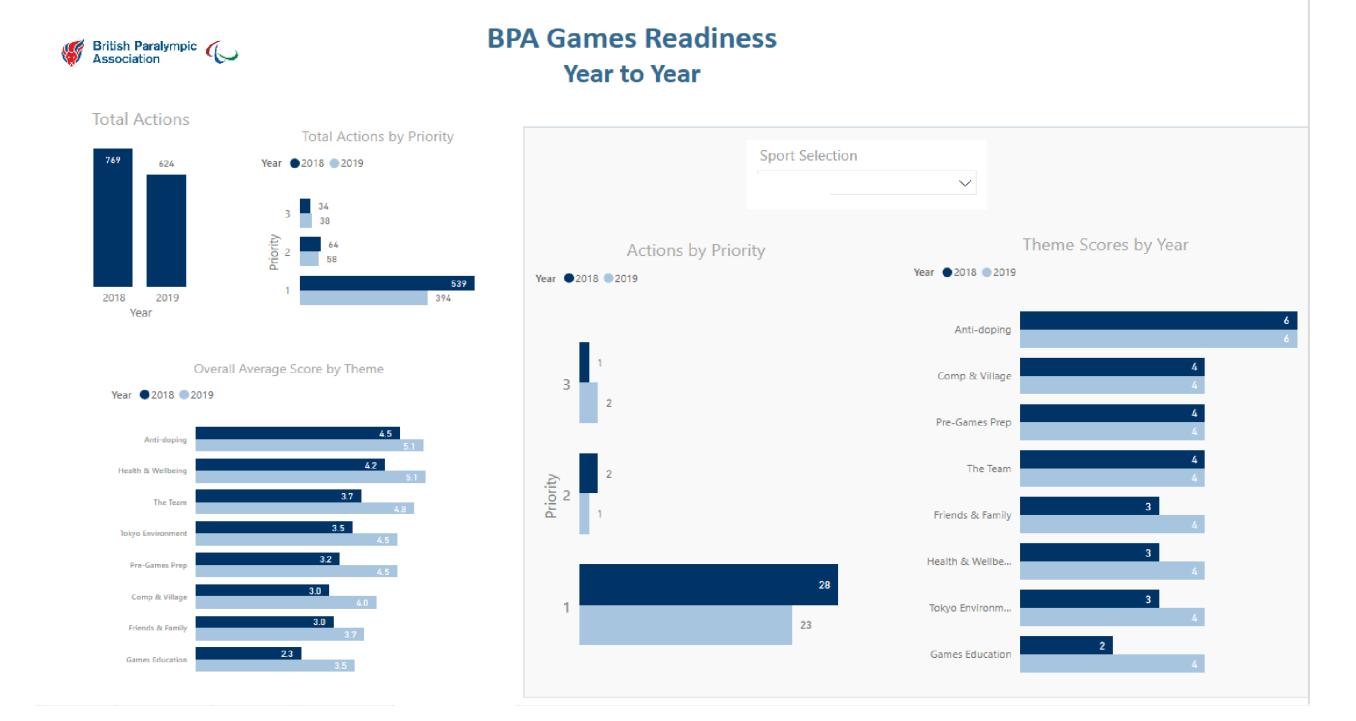

Our plans & strategies are confirmed. They have been tested, refined and practiced. We are Games Ready!

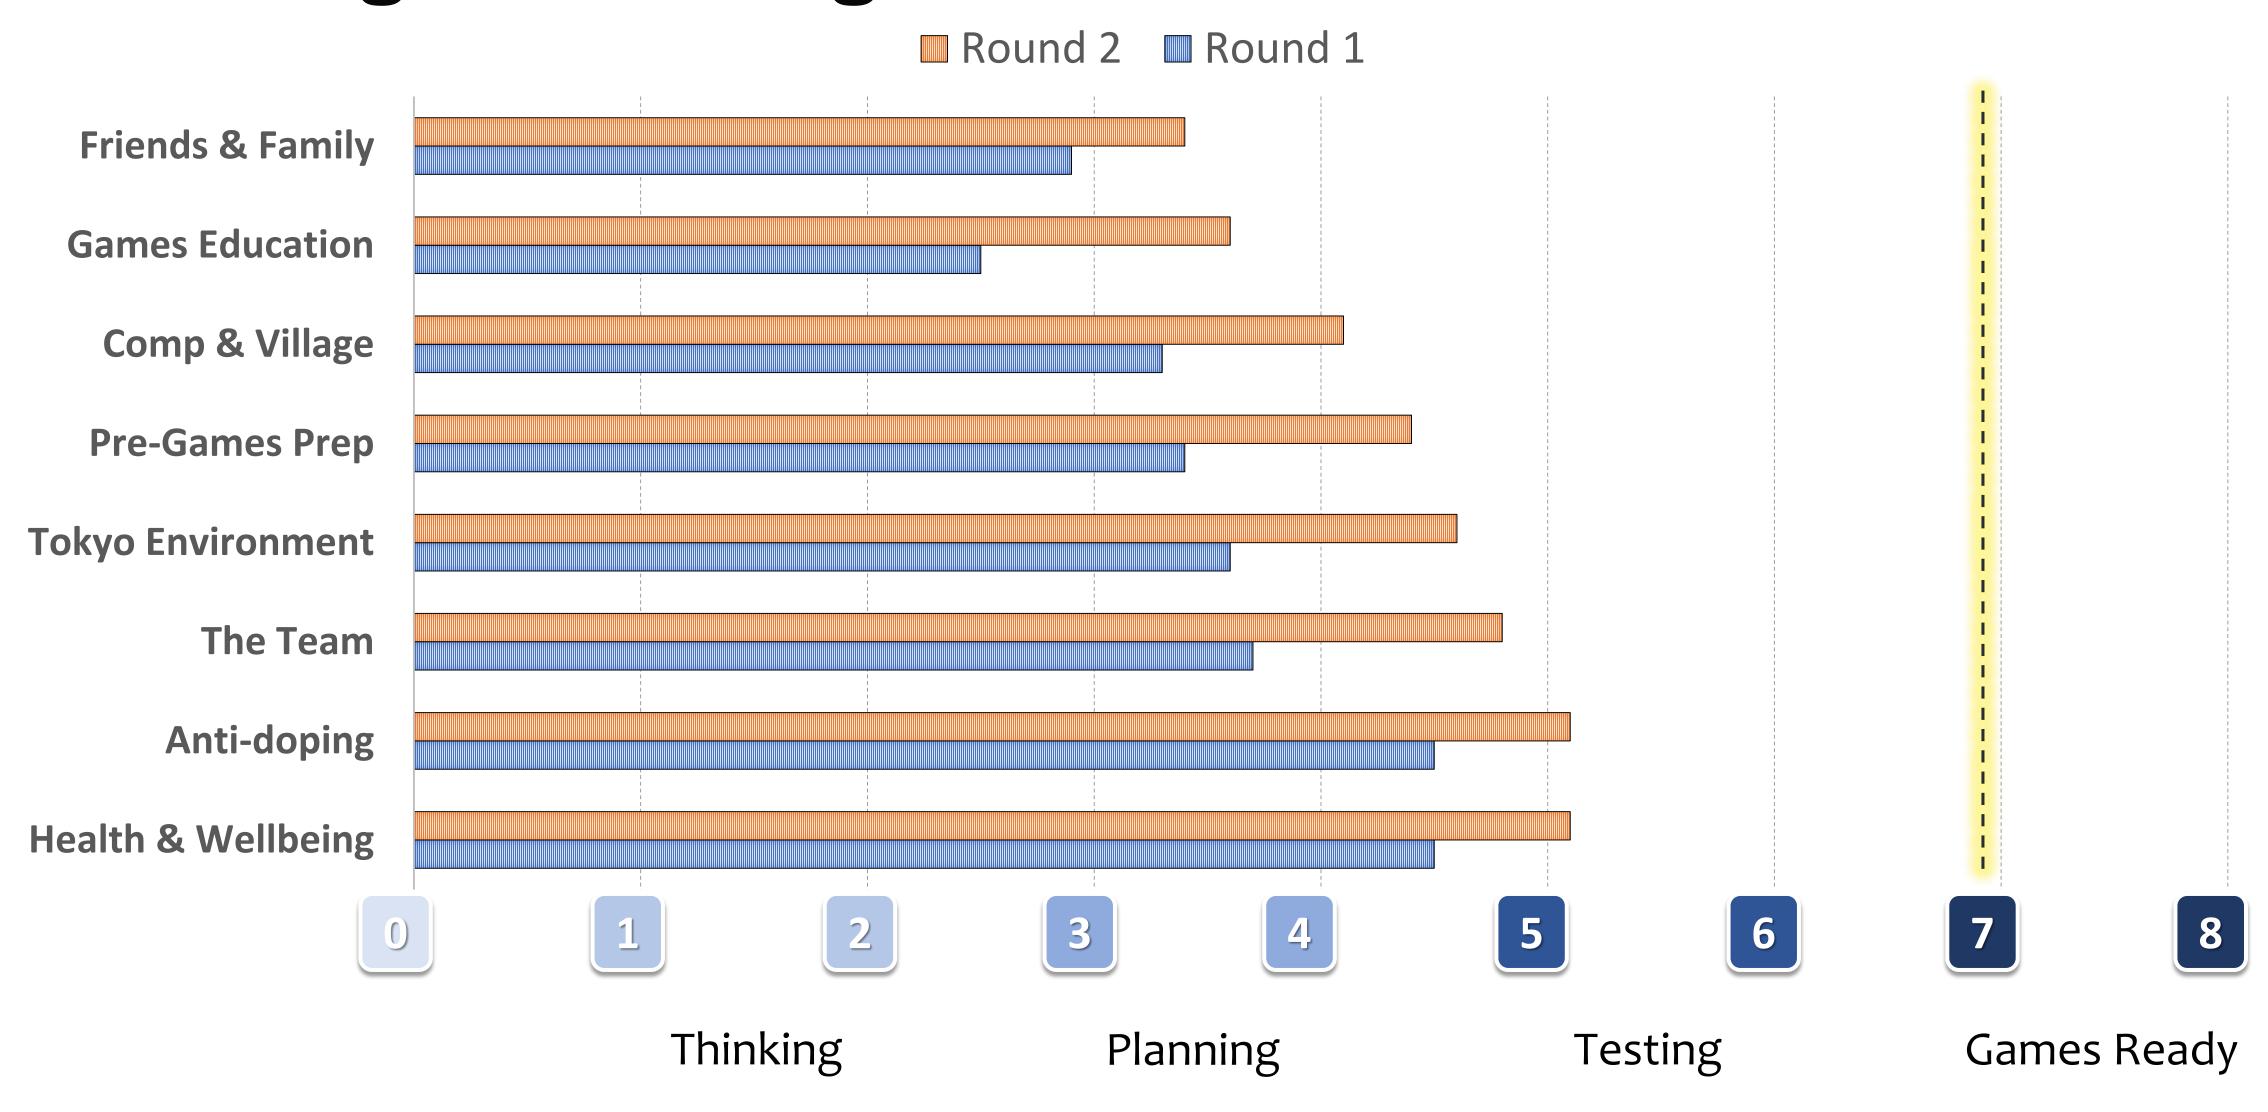

#### How Prepared Are We?

#### Planning to Testing (mean scores by theme for 14 sports)

## 'Thriving in the Environment'
