

BWF SPORT SCIENCE RESEARCH GRANT 2022/23 Application Form

Please fill in the form in **ENGLISH**

* Required

(1) Institution / Researcher

1. Application type *

- Institutional
- Individual

2. Institution's Name *

3. Institution's Name

4. Researcher's Name *

(Including title)

5. Position *

6. Address *

7. Mobile Phone *

8. Office Phone

9. Email Address *

(Please provide only one email address - principal researcher/contact person)

10. If the study is connected to a longer-term study through an institution - or as part of post graduate degree work (e.g. Masters or PhD). Please provide details.

(2) Research Focus / Scope / Relevance / Outcomes

11. Project Title *

(It must be short and precise. It should be a single phrase without final point.) - *25 words*

12. Synopsis / Summary *

(Should be comprehensible to the general reader; give a clear statement of the purpose of the paper and provide relevant context to support the basis for the paper and the significance of the work; do not exhaustively review the literature.) - *300 words*

13. Description *

(Research Focus & scope) - *800 words*

14. Paradigm / Area *

- Biomechanics
- Engineering and Technology
- Ergonomics
- Exercise Physiology
- Medicine and Sports Injuries
- Notional Analysis
- Nutrition
- Psychology
- Rehabilitation
- Skills and Training
- Sociology of Sport
- Youth Development
-
- Other

15. Originality *

(is this a new area or a follow up focus area that adds value to existing research - if so - how?) - 150 words

16. Research Question(s) *

(No more than two research questions.) - *100 words*

17. Relevance to Badminton *

150 words

18. Methodology *

(Overview must include how participants will be recruited.) - *400 words*

19. Outcomes *

(how will the outcomes benefit badminton coaches, players, members of the entourage, badminton community?) - *300 words*

20. Immediate Impact *

(How can the result be applied/used for practice in coaching/talent development/other areas?) - *150 words*

21. Additional information

(On the research focus relevant to your application. Please also include your previous experience of research in badminton.) - *200 words*

(3) Research Process

22. Broad Stages / Timeline *

(Describe the broad staging of the research and timeframes.) - *100 words*

23. Key Performance Indicators (KPIs) *

(Provide a detailed explanation and expected outcomes for reporting on **06 January 2023** and **10 November 2023**.) - *100 words*

(4) Research Context / Added Value

24. Importance *

(Describe why this research is important to conduct for world badminton.) - *100 words*

25. Point of Difference *

(Why do you think this research has 'an edge' over other grant applications?) - *100 words*

(5) Journals Publishing

26. Proposed journals for publication *

(The grant recipient will be requested to submit the study to a peer-reviewed journal. Please list up to 3 journals where you intend to publish your study.)

--

(6) Research Grant and Estimated Costs

27. Total expected cost of this research project (in **USD**) *

The value must be a number

28. Total funds requested for this application (in **USD**) *

The value must be a number

29. Have other sources of funding been secured to conduct the project? *

Yes

No

30. Other sources of funding

31. Estimated amount of other funding(s) (in **USD**)

The value must be a number

(7) Declaration

By submitting this form I declare that I.....

- have carefully read and followed the instructions when completing the application;
- have read the Request for Proposal guidelines and understand the intent of the BWF Research Grants Programme and the criteria for evaluating applications;
- understand that if my project is selected for a grant, a Research Grant Agreement will need to be signed between the BWF and myself / my institution;
- understand that BWF has the right to publish on the BWF website and other communications platforms the names of successful applicants and to provide a synopsis of the focus and scope of the research in order to promote the research project and research in badminton;
- understand that the research findings, methodology and details of the study will be made available to practitioners in the field and published by the BWF on its website or through other BWF communication channels at the conclusion of the research;
- declare that the information in this document is accurate.
